About the Event

The Havelock Laptop Event 2026

The Havelock Laptop Event 2026 is a community-centered initiative aimed at increasing access to technology for students and families in need. This event unites community members, local partners, volunteers, and sponsors to offer valuable support through laptop access and technology resources.

Event Purpose

- Increase access to reliable technology
- Support students and families in need
- Strengthen digital opportunity in the community
- Build partnerships with local businesses and organizations

Why It Matters

For many families, access to a working laptop is essential for school, communication, job readiness, and daily life. The Havelock Laptop Event is an opportunity to create immediate impact while investing in long-term success for our community.
